Address:

**1158 Beach Lake Hwy, Rt. 652, Beach Lake, Beach Lake**

Price:

**Check with seller**

Full set-up all comes with the tank. Measures about 8 ft long X 30" high X 24" wide. See it set up and ruining. Tank empty weighs about 600 lbs. so you would need serious help to move it safely. Tank is in good condition and cost \$5,000 when new with stand, etc. Need to see it first so you will know what you need to move it to your home.
